December 2009

Dear Customer,

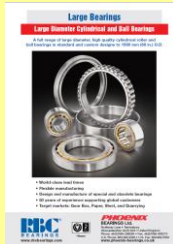

This month, we have decided to introduce our complete line of high quality large inch and metric cylindrical roller bearings for a wide range of applications included :

- Industrial gear boxes
- Steel and rolling mill
- Corrugators
- Mining and quarrying

From 2 ¾ inch (70mm) to over 60 inch (1500mm) all these bearings are certified ISO 9001.

Manufactured at our Phoenix Bearings facility in Tewkesbury, England since over 50 years, our bearings are shipped to over 40 countries worldwide.

Ask for our free catalog :

RBC France: an international partner with a team ready to assist you!

PHOENIX
